

Seasonal Hope to Honduras ☐

On behalf of our Familia Predisan, thank you for providing hope and spiritual healing in Honduras. May your home be blessed with lots of love, peace, joy and happiness this Christmas season!

Volunteer Spotlight: [LocumTenens.com](#)

It's not every day you get to work in an organization where charitable outreach is one of its driving forces. According to the associates who work at [LocumTenens.com](#), they aren't employees of your typical physician staffing company. Its mission is to improve healthcare by providing patients with access to quality medical care through innovative staffing solutions, which include sending its own associates, along with medical volunteers and donated medical equipment, on an annual brigade to Honduras in partnership with Predisan.

**... And He sent them out to proclaim
the kingdom of God and to heal the
sick.**

Luke 9:2

The Gift of Water!

The clinics in Culmi now have access to fresh water through their own well water system. Martha Rivera, Chief Operating Officer who has worked for the organization for over 20 years, prays for

water with the Culmi staff. The sight of water filling the distribution tank for the first time was emotional...

"I almost cried tears of joy and gratefulness"

~Martha Rivera, COO

The drilling and access to well water was made possible through the gift of an anonymous U.S. donor who noticed the need for fresh water while on a mission trip. This act of compassion will lead to better outcomes for generations of families served, including over 500 babies born at the Birthing Center each year!

Northlake Children's Ministry Gives to Scholarship Program

What brings smiles from the whole Northlake Church congregation? It's the children's offering time! Each Sunday, 30-40 children eagerly come to the front with their offering for the children in Honduras. Moms, dads and other family members liberally hand over their change and watch as the eager kids enjoy the ping/pling of their coins falling into the metal buckets.

The Northlake Church of Christ in Tucker, GA, has been a faithful supporter of Predisan since its founding in 1986. The tradition of dedicating the children's offering to the Predisan scholarship fund began in February, 2013. Since that date, the gifts have added up to the value of 35 annual scholarships to the Scholarship Program in Honduras! This program supports Bible studies, mentoring and basic healthcare for deserving students

each year.

Northlake children and families are glad to be a part of the educational opportunity and Christian mentoring that builds future leaders for Honduras.

Staff Spotlight: Ever Orellana

Born into a single-mother family of seven, Ever and his siblings were placed in an orphanage when he was just three-months-old. Although they were eventually reunited, the family struggled. Ever's day started at 4:00 a.m. to help ground maize for the tortillas that his mother sold. His days were long, but Ever was determined to stay in school. In 2015, he completed his secondary education with honors through Predisan's Scholarship Program.

Today, Ever is a Predisan employee for the Healthy Communities program. He is a committed Christian leader of his church and he is very active in the Spiritual Development Program. We celebrate his achievements and thank God for the donors that gave him the opportunity to finish his education.

The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.

Matthew 9:37-38

Thank you for your year-end gift! Please donate by December 31st. □
