

# IT'S PREVENTABLE

An Urgent Campaign to Help Save Lives

## DONATE NOW, DOUBLE YOUR GIFT AND SAVE LIVES

We are very grateful to announce a **Matching Gift of \$25,000 by an anonymous donor** towards our \$80,000 need to respond to the Dengue Fever epidemic sweeping throughout Honduras. For every dollar you donate, your gift will be matched up to \$25,000.

Death is **PREVENTABLE** and Predisan is positioned and ready to take action. Please consider joining our effort to be hands of healing during this time.

### Update on Predisan's Response

- 339 Patients treated for Dengue Fever
- 2 Facilities have extended openings to 7 days a week (12 hours service)
- Homes and schools trained for prevention
- Increase supplies availability to offer laboratory services and medicines
- Prevention and control of mosquito breeding sites
- Radio and TV education spots
