

## *Happy Thanksgiving!*

A Happy Thanksgiving from Predisan Health Ministries! Your partnership positions Predisan for such a time as this, to tackle challenging and even life threatening obstacles in eastern Honduras. As you gather with family and enjoy this season, we join you in thanking God for His abundant provision and grace. The sick are healed, the hurting ministered to and provision for the disadvantaged are possible through your generosity of resources and our compassionate service together.

### **Scholarships Launch Students and Save a Rural School!**

Having a Middle School was a big step in community development for rural Capapan. Students could continue their education without leaving the zone. In January, however, Predisan's chaplains learned that not enough students had enrolled to keep the school open for the 2019 school year. Excellent students were identified, but they had not enrolled due to the family's lack of resources. Poverty was the limitation.

The chaplains visited these families and invited them to apply for Predisan scholarships. Five students qualified! They raised the enrollment number enough for the Middle School to stay certified. Celebrate a win win—for the students and for the community!

Karina, Sara, Keilyn, Yadira and Juan Carlos are among the 147 students this year who would not be completing this school year without scholarships from Predisan's Educational Development Program. Thank you for impacting the lives of our students!

**Thank you for helping Predisan reach our YEAR-END goal of \$500,000.**

*Come on board and be part of a life changing mission!*
